NOTES

Total points are calculated by multiplying the points received in each phase. After three event phases, the athlete with the lowest number of points wins the competition.

Ties are broken by:

- In case of ties after the Qualification, ties are broken by the ranking in each discipline (e.g. if athlete A has beaten athlete B in two of the three disciplines, athlete A will be ranked first)
- If they remain tied, the athlete with the lower bib number will be ranked first

NOTES

Total points are calculated by multiplying the points received in each phase. After three event phases, the athlete with the lowest number of points wins the competition.

Ties are broken by:

- In case of ties after the final, ties are broken by the ranking in each discipline (e.g. if competitor A has beaten competitor B in two of the three disciplines, competitor A will be ranked first)
- If any competitors remain tied, ties are broken by the combined ranking after qualification
- If they remain tied, the competitor with the lower bib number will be ranked first
